

**UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF LOUISIANA  
LAFAYETTE DIVISION**

**RONALD SATISH EMRIT**

**CASE NO. 6:25-CV-00462**

**VERSUS**

**JUDGE ROBERT R. SUMMERHAYS**

**FEDERAL RESERVE BANK, ET AL.**

**MAGISTRATE JUDGE DAVID J. AYO**

**ORDER**

Ronald Emrit has filed numerous frivolous lawsuits in federal courts across the country for over a decade.<sup>1</sup> Six days after he filed this lawsuit, the Chief Judge of the Western District of Louisiana entered an order dismissing a separate suit brought by Emrit. That order reads as follows:

Ronald Emrit keeps filing frivolous lawsuits. *See Emrit v. Barkley*, 23-1275, 2023 WL 3300970 (3d Cir. May 8, 2023) (“Emrit has filed over 500 lawsuits throughout the country.”). Here, Mr. Emrit seeks \$500,000,000,000—and delivery of his Ukrainian bride—from various intergovernmental associations. *See* ECF No. 1 at 1, 5. He alleges a conspiracy involving the Haunted Mansion at Disneyworld, a NASA astrobiologist, and actress Helen Mirren. *Id.* at 6. In another case, Mr. Emrit seeks to patent a galactic black hole. *See* 25-cv-453 (W.D. La. April 7, 2025). And in another, Mr. Emrit sues P. Diddy for the “crimes of pimping and pandering.” *See Emrit v. Combs*, 1:24-CV-00369, 2025 WL 209033 (W.D. La. Jan. 15, 2025). Unfortunately for Mr. Emrit, the Court needn’t entertain his delusional claims—and we’ve already warned him of as much. *See id.*; *see also Atakapa Indian de Creole Nation v. Louisiana*, 943 F.3d 1004, 1006–07 (5th Cir. 2019). Accordingly, Mr. Emrit’s claims are **DISMISSED WITH PREJUDICE**. Any further filing by Mr. Emrit in the Western District of Louisiana may only be made with the written permission of the Chief Judge; in this case, the undersigned.<sup>2</sup>

Emrit’s suit before this Court is likewise wholly without merit.

Cobb Gonzalez Law Firm of Jacksonville, Florida, et al.*, 8:25-CV-999-WFJ-NHA, 2025 WL 1394293 (M.D. Fla. May 14, 2025).

<sup>2</sup> See *Ronald Satish Emrit v. International Court of Justice, et al.*, Case No. 3:25-cv-00447 (W.D. La.), ECF No. 5.

Here, Emrit seeks \$500 billion from the Federal Reserve Bank, the Federal Open Market Committee, the Bureau of Engraving and Printing, and the National Mint for “tortious interference with business relations and/or contracts.”<sup>3</sup> He asks that “Chief Judge Shelly Dick” (who is the Chief Judge of the Middle District of Louisiana, not the Western) “issue a declaratory judgment related to President Trump’s tariffs against Canada, Mexico, and China which are negatively impacting the American economy,” or alternatively, “an injunction against the Federal Reserve Bank and/or U.S. Department of Commerce . . . from implementing Donald Trump’s tariffs,” and/or “requiring that the defendants adjust the interest rates accordingly at which they purchase Treasury Bills (T-Bills) or bonds.”<sup>4</sup> From there, he sets forth purported “facts” that are not only wholly unrelated to his claim before this Court, but are “so insubstantial, implausible, . . . or otherwise completely devoid of merit as not to involve a federal controversy.”<sup>5</sup> Accordingly,

IT IS HEREBY ORDERED that this suit be **DISMISSED WITH PREJUDICE**.

THUS DONE in Chambers on this 15<sup>th</sup> day of May, 2025.
